**Amend Sec. 121. , Subsection 9 as follows:**

***9. The Independent Laboratory Advisory Committee shall establish the list of pesticides approved for use in the cultivation and production of medical marijuana and medical marijuana products to be sold or used in Nevada.*** For the purpose of the pesticide chemical residue test a marijuana sample shall be deemed to have passed if it satisfies the most stringent acceptable standard for ***an approved*** pesticide chemical residue in any food item as set forth in Subpart C of the federal Environmental Protection Agency's regulations for Tolerances and Exemptions for Pesticide Chemical Residues in Food, 40 CFR Part 180.
